## **Word Analogies**

Establish the relationship between the first pair of words in order to find the missing word.

| 1. | Hot is to cold as tall is to    |   |  |
|----|---------------------------------|---|--|
|    | A) wide                         |   |  |
|    | B) short                        |   |  |
|    | C) thin                         |   |  |
|    | D) huge                         |   |  |
|    |                                 |   |  |
| 2  | Desir is to start as and is to  |   |  |
| ۷. | Begin is to start as end is to  |   |  |
|    | A) finish                       |   |  |
|    | B) begin                        |   |  |
|    | C) stop                         |   |  |
|    | D) continue                     |   |  |
|    |                                 |   |  |
|    |                                 |   |  |
| 3. | Rain is to flood as study is to | - |  |
|    | A) reading                      |   |  |
|    | B) school                       |   |  |
|    | C) learning                     |   |  |
|    | D) test                         |   |  |
|    |                                 |   |  |

| 4. | Petal is to flower as leaf is to |
|----|----------------------------------|
|    | A) garden                        |
|    | B) plant                         |
|    | C) tree                          |
|    | D) forest                        |
|    |                                  |
| 5. | Knife is to cut as pen is to     |
|    | A) lid                           |
|    | B) ink                           |
|    | C) write                         |
|    | D) erase                         |
|    |                                  |
| 6  | Empty is to full as open is to   |
| 0. |                                  |
|    | A) close                         |
|    | B) wide                          |
|    | C) large                         |
|    | D) far                           |
|    |                                  |
| 7. | Smile is to grin as yell is to   |
|    | A) whisper                       |
|    | B) shout                         |
|    | C) cry                           |
|    | D) speak                         |
|    |                                  |

| 8. | Fire is to smoke as injury is to   |
|----|------------------------------------|
|    | A) bandage                         |
|    | B) wound                           |
|    | C) pain                            |
|    | D) hospital                        |
|    |                                    |
| 9. | Wheel is to car as page is to      |
|    | A) paper                           |
|    | B) library                         |
|    | C) book                            |
|    | D) story                           |
|    |                                    |
| 10 | Develo is to point as abovel is to |
| 10 | Brush is to paint as shovel is to  |
|    | A) dig                             |
|    | B) bury                            |
|    | C) lift                            |
|    | D) build                           |
|    |                                    |
|    |                                    |
|    |                                    |
|    |                                    |
|    |                                    |
|    |                                    |

## **Solutions**

| 1. | Hot is to cold as tall is to    |
|----|---------------------------------|
|    | A) wide                         |
|    | B) short                        |
|    | C) thin                         |
|    | D) huge                         |
|    |                                 |
| 2. | Begin is to start as end is to  |
|    | A) finish                       |
|    | B) begin                        |
|    | C) stop                         |
|    | D) continue                     |
|    |                                 |
| 3. | Rain is to flood as study is to |
|    | A) reading                      |
|    | B) school                       |
|    | C) <mark>learning</mark>        |
|    | D) test                         |
|    |                                 |

|    | retails to nower as leaf is to   |
|----|--|
|    | A) garden  |
|    | B) plant   |
|    | C) tree  |
|    | D) forest  |
|    |  |
| 5. | Knife is to cut as pen is to   |
|    | A) lid   |
|    | B) ink   |
|    | C) write   |
|    | D) erase   |
|    |  |
| 6  | Empty is to full as open is to   |
| υ. | A) close   |
|    | A) close   |
|    | P) wide  |
|    | B) wide  |
|    | C) large   |
|    |  |
|    | C) large   |
| 7. | C) large   |
| 7. | C) large D) far  |
| 7. | C) large D) far  Smile is to grin as yell is to                            |
| 7. | C) large D) far  Smile is to grin as yell is to A) whisper                 |
| 7. | C) large D) far  Smile is to grin as yell is to A) whisper B) shout        |
| 7. | C) large D) far  Smile is to grin as yell is to A) whisper B) shout C) cry |

|    | A) bandage                        |
|----|-----------------------------------|
|    | B) wound                          |
|    | C) pain                           |
|    | D) hospital                       |
|    |                                   |
|    |                                   |
| 9. | Wheel is to car as page is to     |
|    | A) paper                          |
|    | B) library                        |
|    | C) book                           |
|    | D) story                          |
|    |                                   |
|    |                                   |
| 10 | Brush is to paint as shovel is to |
|    | A) <mark>dig</mark>               |
|    | B) bury                           |
|    | C) lift                           |
|    | D) build                          |
|    |                                   |
|    |                                   |
|    |                                   |
|    |                                   |
|    |                                   |
|    |                                   |
|    |                                   |
|    |                                   |

8. Fire is to smoke as injury is to \_\_\_\_
